

BIG GAIN®

RABBIT PELLETS (QMP)

9032

All purpose complete feed for rabbits

GUARANTEED ANALYSIS

Crude Protein, min.....	16.00%
Crude Fat, min.....	3.00%
Crude Fiber, min.....	16.50%
Crude Fiber, max.....	20.00%
Calcium, min.....	0.75%
Calcium max.....	1.25%
Phosphorus, min.....	0.50%
Salt, min.....	0.60%
Salt, max.....	1.10%
Selenium, min.....	0.53 ppm
Vitamin A, min.....	4,500 IU/lb
Vitamin D3, min	400 IU/lb
<u>Vitamin E, min</u>	<u>60 IU/lb</u>

INGREDIENTS

Alfalfa Meal, Soy Hulls, Wheat Midds, Beet Pulp, Soybean Meal, Wheat Red Dog, Molasses Products, De-Proteinized Whey, Vegetable Oil, Yeast Culture, Lignin Sulfonate, Salt, MonoDicalcium Phosphate, Calcium Carbonate, Alumino Silicate, Manganese Sulfate, Biotin, Zinc Sulfate, Vitamin E Supplement, Copper Sulfate, Selenium Yeast, Sodium Selenite, Zinc Proteinat, Fenugreek Seed Extract, Niacinamide, Vitamin A Acetate, Manganese Proteinat, Copper Proteinat, Thiamine Mononitrate, Riboflavin, Calcium Pantothenate, Pyroxidine Hydrochloride, Folic Acid, Potassium Iodide, Vitamin B12 Supplement, Menadione Sodium Bisulfate Complex, Vitamin D3 Supplement, Cobalt Carbonate, Anise Seed Oil, Mineral Oil, Magnesium Oxide, Citric Acid Presscake, Lysine, DL Methionine, Propionic Acid (a preservative), Ammonium Hydroxide, Sorbic Acid, Benzoic Acid (a preservative), Phosphoric Acid, Propylparaben (a preservative), Methylparaben (a preservative), Butylated Hydroxyanisole (a preservative), Copper Sulfate, Choline Chloride, Zinc Amino Acid Complex, Copper Amino Acid Complex, Manganese Amino Acid Complex, Cobalt Glucoheptonate, Yucca Schidigera Extract, Chromium Propionate.

FEEDING DIRECTIONS

Big Gain Rabbit Pellets can be used for all phases of rabbit production. Use it for bucks, pregnant and nursing does, dry does, and young growing rabbits before and after weaning. Pellets should be self-fed, that is, kept before animals at all times. in the case of breeding stock, it may be desirable to restrict feed intake to obtain desired body condition. The correct amount of pellets will depend on size of animal and weather conditions. It is important to feed rabbits the same number of times each day, and as close to the same hour as possible.

FEEDING DIRECTIONS

Feed continuously as the sole ration up to 6.5 weeks of age.

Warning: For rabbits up to 6.5 weeks of age only.

Caution: The safety of Lasalocid for use in unapproved species has not been established. Do not allow horses or other equines access to feed containing Lasalocid as ingestion may be fatal.
